Stains**

# TABC

## Bowl Cleaner

### Description:

An acid bowl cleaner that is safer to use than similar products. Pleasantly scented and non fuming. Safely cleans and deodorizes toilet bowls and other porcelain surfaces. Can also be used for cleaning of stainless steel, coffee urns and counter tops. Safe enough for daily use to keep commercial/institutional facilities looking fresh and clean.

### Directions:

**TOILET BOWLS** - Remove as much water as possible from bowl. Pour several ounces of cleaner into bowl or dip mop into cleaner. Thoroughly mop entire surface. Rinse and flush.

**URINALS** - Wet mop. Swab all surfaces including flush ring. Flush urinal. Remove strainer. Swab inside of drain and outlet, keeping wet five minutes. Flush.

**PORCELAIN ENAMEL** - Wash basins, bath tubs, etc. - Dilute with 4 parts water.

### Benefits:

- Removes film, lime deposits, etc.
- Restores luster and brightness.
- Safe for fittings and ceramic tile.
- Removes oxidation and rust.
- Use full strength or dilute.
