**JOIN OUR HYGIENE CAMPAIGN TODAY! BY PURCHASING ANY PRODUCT YOU WILL RECEIVE A 'WASH YOUR HANDS SIGN' FOR YOUR FACILITY.**

## Fresh Carpet™ Deodorizing Mousse

- Light foam, carpet, rug and upholstery deodorizer
- Malodors are permanently eliminated with Ordenone
- Foam breaks and dries in seconds
- No vacuuming required
- Leaves carpet and upholstery smelling fresh and clean Inverted spray tip

**Product code:** 438-5147

**Packing:** 12 cans (18 oz) / case

## Odor-Bane 2 Deodorizer

Odor-Bane2 contains the same great technology as our original Odor-Bane, but with some very unique fragrances. Odor-Bane2 is a professional product that will effectively neutralize and deodorize malodors caused by smoke, vomit, urine, flood waters, etc. This highly concentrated deodorizer can be added to your cleaning solution, sprayed or fogged.

**Fragrances:** New Morning, Lemon Twist

**Product code:** 32nbn (New Morning) 32nbl (Lemon Twist)

**Packing:** 12 bottles (32 oz)/ case

## Chewing Gum & Candle Wax Remover

Chewing Gum & Candle Wax Remover has a freezing action that allows chewing gum and wax drippings to be removed easily and effectively.

- Freezes substances instantly to 6 °F
- Does not leave rings or residue behind
- Use on carpets, wood floors, tile, terrazzo, cement, porcelain, marble, and vinyl surfaces

**Product code:** 438-5165

**Packing:** 12 cans (5.5 oz) / case

## Carpet & Upholstery Foaming Cleaner

Carpet & Upholstery Foaming Cleaner removes oil- and water-based spills, spots and stains from carpets and upholstery fabrics. Use on a regular basis to prevent stains from setting, and as a pre-spotter prior to extraction.

- Foaming carpet & upholstery cleaner
- Removes oil- and water-based spills, spots and stains
- Penetrates to source, eliminating odors with Ordenone
- Leaves carpet and upholstery clean and fresh

Ideal for carpets, rugs, and upholstery. Removes: Pet stains, urine, cola, wine, coffee, shoe polish, grease, tar, paint, permanent marker, ink, lipstick, blood and other stains.

**Product code:** 438-5148

**Packing:** 12 cans (18 oz) / case

## Upright Vacuum Cleaner

*Model CK 14/2 Pro*

Combining affordability, superior airflow, the benefits of an enclosed bag system, on-board tools, and a HEPA cartridge filter for healthier indoor air quality, the CK 14/2 Pro adds a great combination of value and performance to an already impressive carpet care line.

- Ergonomic handle
- Standard onboard tools that make detail cleaning a breeze
- CRI SOA Silver approval
- No-tools required for brush and belt replacement
- Telescopic wand with up to 30% longer reach than the competition

## Deluxe CVD Upright Vacuums

- True HEPA certified vacuum
- Tool-less brush roll plate removal
- CRI Gold Certified, meeting LEED standards
- Sound level that is less than 70 dB(A)
- No-tools required for brush and belt replacement
- Telescopic wand with up to 30% longer reach than the competition
- Standard Clean Breeze filter bag reduces dust emissions over 60% over paper bags

## Upright Vacuum Cleaner Wide Model

*Model CK 3030*

If you are challenged with maintaining large carpeted areas, the 30 inch CK 3030 Clean-Air Carpet keeper delivers the performance of three upright vacuums, increasing your vacuuming productivity up to 10,000 square feet per hour. High efficiency cleaning performance, multi-stage filtration, and a host of operator-friendly features make the CK3030 the perfect unit for malls, airports, hotels, convention centers, department stores, hospitals, and more.

- Brush height adjustment
- The CK 3030's handle folds down and the unit can stand on end for storage
- Ergonomically designed handle can be adjusted for operator comfort
- Four-stage clean-air filtration

| YDC-700       | Flat Yellow | 24" x 39"                          | 250       |

## Cut End Mop Head

### Mop Head®

The Cut-end Mop is the standard and most popular style of mop. It offers low initial cost, but is not usually launderable which limits its use in some cases.

| Size | Color                   |
|------|-------------------------|
| #16  | Red, Green, Blue, White |
| #20  |                         |
| #24  |                         |

## Microfiber Loop End Mop

### Super Absorbent Capacity

Microfiber wet mop has heavy-duty strands to cover a wide surface area. Traditional mop style with thicker strands and looped ends. Mop head is fully launderable.

**Color:** Blue, Orange or Green

**Size:** Medium

**Packing:** Each

## Combo WaveBrake®

### Side Press mop bucket

The WaveBrake® mop bucket and wringer system reduce splashing, which means a safer environment, cleaner floors, and improved productivity.

- Massive capacity for the largest commercial cleaning jobs
- Tested to exceed 50,000 wringing cycles, average wringers perform approximately 860 cycles
- Premium tubular steel and Structural Web molded plastic
- Color-coded buckets can be organized by function, department or building area, making it easier to track supplies

**RED:** High Risk Restroom Areas

**BLUE:** General Purpose Cleaning for Low Risk Areas

**GREEN:** General Food Processing, Serving and Bar Areas

**YELLOW:** Back of House Cleaning

**BLACK & GRAY:** Front of House Cleaning

**Capacity:** 35 QT

**Color:** Brown, Blue, Green, Red, Yellow

## Microfiber Flat Mop System

Filmop's Spin-N-Drop system is ideal for floor wet mopping, cleaning walls, ceilings, and other surfaces when it is desired to have the benefits of microfiber with the ability to rinse-and-wring.

| Long Loop Mops (3/8")                                      | Short Loop Mops (3/16")                    |
|------------------------------------------------------------|--------------------------------------------|
| Reach into baseboard corners, crevices                     | Ideal for damp cleaning on polished floors |
| Maintain consistent contact, even on uneven floor surfaces | Use for daily, light soil cleaning         |
| Collect and hold higher quantity of particulate dirt       | Can be used for applying finish            |

### -RAPIDO (long loop):

100% processed blend of 80% polyester and 20% polyamide. Better saturation of cleaning solution. Even loading of soil for better results.

### -MICRO-FAST (long loop):

Microfiber enriched with 5% Ryon to increase absorbency. Better saturation of cleaning solution.

### -PULI-SCRUB (short loop):

Microfiber enriched with 30% polypropylene firm fibers for excellent scrubbing action.

### -MICRO-ACTIVA (short loop):

100% processed blend of 80% polyester and 20% polyamide Better saturation of cleaning solution. Even loading of soil for better results.

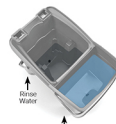

**Colors:** Yellow, Blue, Red, Green, White

### TWICE SPLIT BUCKET SYSTEM

TOTAL : 8 gallons  
4.25 gallons: Rinse Water Side  
3.75 gallons: Cleaning Solution Side

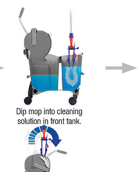

**SPLIT BUCKET SEPARATES CLEANING SOLUTION FROM RINSE WATER**  
Cleaning solution stays FRESHER, cleaner, longer

**NO LIFTING, SEPARATE BOTTOM DRAINS**  
Each side drains separately from bottom plug; eliminates lifting

**MAINTAINS STABILITY WHILE WRINGING**  
Engineered to avoid tipping and/or rocking while wringing

### SPLIT BUCKET MECHANICS

After mopping, insert mop through roller wringer and into rinse water to remove soil.

Wring out.

Dip mop into cleaning solution and repeat process.

## Super 21

### Rugs & Upholstery High Foam Shampoo

**CLAUSEN**  
CARPET SOLUTIONS

Clausen Super 21 Rug & Upholstery Shampoo is a highly concentrated complex of modern free rinse synthetic detergents. Formulated for use with all makes of rotary and foamer machines for shampooing all colorfast rugs and upholstery not affected by water alone.

- **High, Dry Foam:** Develops a thick, stiff foam that lifts and suspends gritty soil
- **Superior Detergency:** Penetrates and dissolves oily, greasy soil
- **All Synthetic:** For maximum effectiveness in hard water and no soap film
- **Deodorizes:** Contains a proven odor counteractant to erase foul odors in rugs and the surrounding area.

**Product code:** 21  
**Packing:** 4 gal / case

## Extract-A-Lon V

### Extraction Carpet Cleaner

**CLAUSEN**  
CARPET SOLUTIONS

Clausen EXTRACT-A-LON V is a special formulation for extraction cleaning required for use on the various brands of fifth generation stain resistant nylon.

- **Meets Carpet Specs** - A special moderate pH, non-ionic complex that meets the requirements of the products of new fifth generation stain resistant nylons. Performs with outstanding results as well on all carpet fibers including wool.
- **Effective Against Greasy Soil** - Contains non-ionic surfactants chosen especially for their ability to penetrate emulsify and lift greasy soil for complete removal.
- **Modest pH** - A pH maximum of 9.5 will not remove the soil resistant treatment and will not initiate browning.
- **Built In Defoamer** - There is no foam from EXTRACT-A-LON V to require the addition of defoamer.
- **Contains Odor Counteractant** - Eliminates that wet dog smell of some freshly cleaned carpets. A proven odor counteractant leaves the carpet and the whole area with a clean, fresh aroma.

**Product Code:** 10065  
**Packing:** 4 gal / case

## Pre-Treat 61

### Prespray & Bonnet Carpet Cleaner

**CLAUSEN**  
CARPET SOLUTIONS

Pre-Treat 61 is a blend of modern surfactants and fast acting solvents for multi-purpose use in carpet cleaning.

- **Complex Blend:** Contains concentrated solvents to dissolve greasy, oily soil and modern surfactants to penetrate, wet and lift soil for easy removal.
- **Highly Concentrated:** You're not buying water. PRETREAT 61 contains 45% solvents by weight and 16% surfactants.
- **Multiple Use:** This one product will do three important carpet maintenance jobs:
  - 1) It can be sprayed over traffic lanes for heavily soiled carpet to make shampooing or extraction cleaning more effective and easier.
  - 2) It can be used as a bonnet cleaner for fast interim carpet cleaning
  - 3) It may be used as a carpet spotter to remove both water based and solvent based spots.
- **Quick Acting:** The unique combination of solvents and surfactants in PRETREAT 61 acts quickly and relatively effortless to penetrate, dissolve, lift and remove heavy soil.

**Product Code:** 10061  
**Packing:** 4 gal / case

## Dual

### Sanitizing Deodorizing Carpet Cleaner

**CLAUSEN**  
CARPET SOLUTIONS

Dual is effective as a sanitizing agent putrefactive bacterium. Low foam with built-in defoaming action for use with all models of extraction, carpet "steam cleaning" and bonnet equipment.

- **Erases Foul Odors** - Modern quaternary ammonium compounds eliminate many foul odors at their source by killing putrefactive bacteria. A proven odor counteractant erases odor already in the air.
- **EPA Registered** - Clausen DUAL has been granted Federal EPA Reg. No. 1459-74-49691 attesting to the government's review and acceptance of the products label claims.
- **Versatile** - Cleans, sanitizes and deodorizes when used for either extraction or bonnet cleaning.
- **Deep Cleaning** - DUAL is based on patented technology for emulsifying heavy, greasy soil without need for solvents. Quickly and safely penetrates, dissolves and lifts petroleum, animal and vegetable oils and greases.
- **Approved for Low Moisture Use** - Dual can be used with all makes of extraction equipment, all techniques of bonnet cleaning, even rotary shampooing, and because it leaves no sticky residue, it can be used with the new low moisture method of carpet maintenance in which dilute cleaner is sprayed over the carpet and lightly buffed in. We have not seen that method on other company's labels approved by the EPA.

**Product Code:** 10060  
**Packing:** 4 gal / case

## Killer

### Carpet Defoamer

**CLAUSEN**  
CARPET SOLUTIONS

Works immediately with lasting effectiveness against foam from rug shampoos, strippers, cleaners, etc. Without troublesome suds, recovery tanks require less frequent dumping to make work easier and faster. KILLER protects equipment by preventing overflow that can damage vacuum motors and electrical parts.

**Product Code:** KDF-01  
**Packing:** 4 gal / case

## HAWK Hot Shot Mini-Vactor Carpet & Upholstery Extractor

The Mini-Vactor is more than an ordinary spotter. This affordable, powerful, compact unit is designed for superior carpet and upholstery cleaning. The in-line water heater makes cleaning faster.

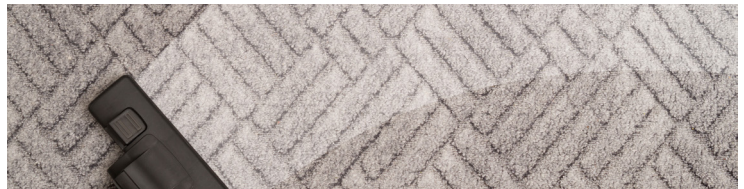

## Carpet Extractor Machine - Self Contained Model Marathon

Automatically flush, scrub and vacuum carpets in one pass, with our Marathon units. Unlike all other units, these cleaners utilize a clever patented internal bladder design system that maintains constant brush pressure on the surface regardless of the position of the water in the tank. In addition, the bladder design has allowed us to shrink the "footprint" of the unit to allow for easier transport, storage and better sight lines for the operator. In short, the state of the art, user friendly and easy to service design has made these units one of our most popular sellers.

- Versatile and easy to use
- Easy view fluid lids
- Convenient drain system
- Patented bladder design

## Q-Stripper Heavy Duty Floor Stripper

This very aggressive, fast liquefier solves floor finish stripping difficulties caused by ultra-high speed buffing/ burnishing, super hard urethane fortified finishes, or excessive buildup. Removes the most difficult floor finish films in less time, with less effort, and with little or no rinsing.

- **Re-emulsifies** - Penetrates and converts old finish to its original liquid state so that it is no longer bonded to the floor.
- **Pleasant Odor** - No ammonia or other unpleasant odor during or after use.
- **Hard to do Jobs** - Strips all areas but is a must for areas that can't be reached with a floor machine, or if a machine is not available.
- **Rinsing not Needed** - With thorough removal, unlike with many strippers, you can skip rinsing.

BS111-04 - 4 gal / case  
BS111-05 - 2 bags (2.5 gal) / case  
BS111-55 - 55 gal drum

## Qwik Strip Baseboard Cleaner & Floor Wax Stripper

QwikStrip™ helps remove the accumulated buildup of soil and darkened wax that occurs on baseboards and on floors along walls and in low-traffic areas.

- Foaming gel baseboard and floor stripper
- Ultimate cling and penetration
- Removes old wax, acrylics, and dirt
- No offensive odor

**Product code:** 433-1118  
**Packing:** 12 cans (19 oz) / case

## HI-SHINE ULTRA Floor Finish

**BEST SELLER**

**25%  
Solids**

- Designed for high traffic areas
- High gloss coating
- Extremely slip resistant
- Works well with a variety of floor techniques and different speed floor machines.
- For use on vinyl, asbestos, asphalt tile, rubber, linoleum, tile, etc.

|          |                         |
|----------|-------------------------|
| BS112-04 | 4 gal / case            |
| BS112-05 | 2 bags (2.5 gal) / case |
| BS112-55 | 55 gal drum             |

## PRO-SHINE MEGA Floor Finish

- 23% Solid
- **Easy Application:** Though high in solids, each coat lays down beautifully with no mop drag or streaks.
- **All Acrylic:** Leaves a perfectly clear, non-yellowing film that won't black mark.
- **Super Gloss:** Dries to a high gloss and maintains its gloss under heavy traffic.
- **Metal Interlock:** Despite its resistance to water and detergents, Pro-Shine can be easily removed with its companion stripper when desired.
- **Versatile:** May be used on vinyl, VAT, VCT, linoleum, marble, terrazzo, concrete, brick, flagstone, epoxy and other resilient and non-resilient floors.

|          |                         |

| BS113-55 | 55 gal drum             |

## Rehab One Up Logo Floor Restoration Compound

Clean, Polish, Anti-Slip & Rehabilitate any floor in one easy operation. REHAB UNIVERSAL FLOOR RESTORATION COMPOUND is a unique technology designed to restore your floors to their original or better gloss, durability and making the floor one of the most slip-resistant surfaces in your building.

**Product code:** 0223

**Packing:** 6 bottles (32 oz) / case

## Dri-Buffer

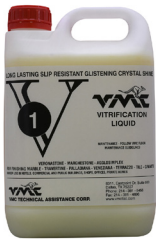

E-clean Dri-Buffer is a product of entirely new technology that provides the ultimate in floor appearance, protection, and safety at the lowest cost of labor and material. It can be used to maintain any floor finish including other "green" floor finishes.

**Product code:** ECDRI-16

**Packing:** 6 bottles (16 oz) / case

## Crystallizers

### -V1-Formula

Specific uses are for white marbles that may be soft in structure but relatively non-porous. Dark marbles such as Negro Marquina, Grey Paloma, Motrico, Emperador, Rosso Levanto, and all greens respond to V1 very favorably. Highly crystalline structured stones from Portugal and Greece are also suitable candidates for use with V1 crystallization liquids.

**Product code:** 31001

**Packing:** 1.5 gal

### 5X POWDER

#### *Marble Polishing Powder*

For decades marble factories have used 5X bricks to achieve the high reflectivity finish that is seen on polished marble tiles and slabs. This powder is used as a final step in achieving that super high finish. Used with water and a Gorilla Pad on can get excellent results.

**Product code:** 35052

**Packing:** 5 Pounds / Pail

## Standard Floor Machine

175 RPM

Realize maximum power with the twin capacitor AC motors and Hawk's ruggedly reliable floor machine design! Machine operators will appreciate the solid performance of the extremely well-built floor machines that deliver on every job they tackle. The consistently unsurpassed performance of these floor machines makes them the top choice for floor cleaning challenges.

- Twin and triple idler planetary steel helical-cut gear drives
- Heavy-duty cord with molded plug for long-lasting value
- All steel construction for superior strength and longevity
- UL / CUL-Approved for safe performance

**Pad Size:** 13", 15", 17" or 20"

**Motor (HP):** 1.0 or 1.5

## High Speed Burnisher Floor Machines

1,500 to 2,000 RPM

These 17" or 20", super-quiet, high-speed burnishers are available with or without dust control in 1500 or 2000 rpm speeds, and units. Remarkably easy to handle, they are the perfect choice for small and large areas.

- Flexible pad holder
- 5" non-marking ball bearing wheels
- Pad centering clamp
- UL/CUL-Approved (1500 RPM only)
- Special colors available on request

**Pad Size:** 17" or 20"

**Motor (HP):** 1.5

**RPM:** 1500 or 2000

## G2 Raptor Orbital Floor Machine

The Hawk G2 Raptor has 20 inch wide rectangular head and easy to maneuver with less vibration and operator fatigue than other orbiting brands. The G2 Raptor easily reaches into corners and along baseboards. The Hawk G2 Raptor strips floor finish without chemicals. It is excellent for sanding, scrubbing and stone polishing. Use wet or dry. Easy to learn. Easy to use.

**SPECS:** 1.5 HP, 180 frame HD Motor 1740 RPM, 20" x 14"

**USES:** Dry Stripping, Scrubbing, Stripping

## Vitro Cut Resin Bond®

VMC Vitro Cut Diamonds are of the latest technology. These resin bonded diamond abrasives can be used wet or dry and come in the following sequence: 00, 0, 1, 2, 3, and 4. A #5 grit is available if necessary. Vitro Cuts may be used on marble, terrazzo, granite, and concrete.

- #1 cuts as aggressive as 30g resin but leaves a 50g finish.
- #2 cuts as aggressive as 120g resin but leaves a 220g finish.
- #3 cuts as aggressive as 400g resin but leaves an 800g finish.
- #4 polishes to a 1800g finish.
- #5 polishes to a 3500g finish.

\*Available in 3" or 4" diameter

## Rosex Pellets

Flexible resin bond polishing pad perfect for polishing all types of marbles, travertines, and limestones. Designed to be used on hand machines but can also be used on floor machines as well.

**Grit:** 50, 120, 220, 400, 800 or 1800

**Size:** 3" diameter

## Turbo Cat 3"

Backed, metal bond diamonds work great on stone and concrete. Beveled edge allows for a smooth transition between uneven surfaces.

**Grit:** 20, 30, 50, 70, 120 or 220

**Size:** 3" diameter

## Bonnet Pad For Carpet Shampoo

This carpet bonnet is constructed with a fine count rayon yarn blend for the right balance for abrasion and absorbency. These Carpet Bonnet pads include a green polypropylene scrub strip for added abrasion and are designed to aggressively loosen carpet soil and lift it away from the carpet surface.

**Size:** 19"

**Construction:** Microfiber

**Product code:** G19

**Packing:** Each

## 3720 Utility Pad Kit

- Includes 1 brown 4.5" x 10" utility pad
- Includes 1 white 4.5" x 10" utility pad
- Molded spikes for maximum grip
- Double swivel handle for ease use
- Compatible with threaded handles

## Floor Pads

# Choose The Right 3M Floor Pad For The Job

**Product Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for user's particular purpose and suitable for user's method of application. **Warranty and Limited Remedy:** 3M warrants that each 3M product will be free from defects in material and manufacture for 90 days from the date of purchase from 3M's authorized distributor. 3M MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. If a 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. **Limitation of Liability:** Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted.

### Greener Solutions

The polyester fiber used to make a range of floor pads\* contains a minimum of 50% post-consumer recycled content. The recycled polyester fiber used is third-party certified for post-consumer recycled content.

\*3M™ Brand Floor Pad families include 3200, 3300, 3400, 3500, 5000 and 5100.

## MAL-GRIT™

Mal-Grit brushes offer solutions to a wide range of cleaning situations. Silicone carbide impregnated nylon bristles are self-replenishing as brush wears, offering unmatched value that outlasts floor pads over 100 to 1! All grit brushes must be run in a wet environment.

### **-MAL-GRIT LITE™**

Offers the durability of grit brushes with minimum aggression. For daily scrubbing of a variety of tiles, marble, terrazzo and non-slip epoxy finishes.

### **-CLEAN-GRIT™**

An excellent general scrubbing brush for frequent maintenance cleaning. Flexible enough for cleaning narrow grout lines and uneven surfaces.

### **-MAL-GRIT SCRUB™**

Ideal for daily scrubbing and maintenance. While the smaller diameter bristles offer flexibility, the larger grit size offers exceptional scrubbing.

### **-MAL-GRIT™**

Our most popular grit brush. An aggressive brush for general scrubbing or stripping finishes from hard surfaces. Effectively cleans wide grout lines.

### **-MAL-GRIT XTRA™**

The most aggressive grit available. This heavy gauge nylon with larger grit is used for stripping heavily soiled floors, such as concrete floors in an industrial setting.

**Diameter:** 11" thru 21"

**Grit:** 46, 80, 120, 180 or 500

**Trim Length:** 1 ½"

## Steel Wool

### **4" Wide Reeled**

The crystallization pad is made of curly steel wool and is manufactured specifically for a perfect crystallization. 100% steel wool core with outer layers wound radially to assure that fibers contact surface at the optimal angle for maximum performance.

- The position of its fibers ensures an optimal contact with the surface reducing the crystallization time.
- Use these steel wool pads with confidence when polishing terrazzo and marble floors.

**Grit:** #00, #0, #1, #2

**Packing:** Roll

## Air Flow Blower

### *Windshear 3000*

Along with carpet drying, the Windshear was designed to handle clean-up operations after fires, floods, or other water damage. It is robustly designed, resulting in reduced noise and vibration, which adds to stability and long life.

- Innovative go-anywhere design
- Universal application across all industries
- Three angles of airflow positions
- Can be stacked on their side for easy storage
- Easy-to-use carrying handle and cord wrap

## Air Flow Blower (Compact Size)

### *Windshear Storm*

Compact size, low amp draw and lightweight with new "Driven Air" technology for fast drying. The Windshear Storm is dramatically lighter and smaller, offering high airflow volume with a velocity of 3,200 feet per minute.

**Perfect for drying:** Carpets, rugs, hard floors, general air, paint, draperies, upholstery

## Air Flow Blower

### *Windshear Sidedraft*

The possibilities are endless with Tornado's® Windshear™ Sidedraft. You can use it to dry carpets, rugs, padding, subfloors, cabinets, dry-wall, paint, closets, baseboards, attics, furniture, draperies, or just about anything you need to dry. The Windshear™ Sidedraft increases airflow, cleaning efficiency, safety, and minimizes down-time in a room or large facility. Also perfect as a box fan, the Sidedraft can be used for general cooling and air circulation in any commercial or industrial setting.

## Hurricane Cordless Floor Dryer

The HURRICONE aids in drying the floor with a continuous flow of air in 360 degrees and up to 15 feet in diameter. While drying the floor, the HURRICONE also warns pedestrians of a potential slip hazard using standard 36 inch floor cones.
